Application No. 10/567,040 :  
Filed: February 2, 2006 :  
Attorney Docket No. NL030940 :

**OFFICE OF PETITIONS**  
  
**ON PETITION**

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed June 25, 2008, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

The application became abandoned for failure to timely pay the issue and publication fees on or before February 1, 2008, as required by the Notice of Allowance and Fee(s) Due, mailed November 1, 2007, which set a statutory period for reply of three (3) months. Accordingly, the application became abandoned on February 2, 2008.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(d). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Director may require additional information. See MPEP 711.03(c)(II)(C) and (D). The instant petition lacks item(s) (1).

While the revival of applications abandoned for failure to timely prosecute and for failure to timely pay the issue fee are incorporated together in 37 CFR 1.137, the statutory provisions for the revival of an application abandoned for failure to timely prosecute and for failure to timely submit the issue fee are mutually exclusive. See Brenner v. Ebbert, 398 F.2d 762, 157 USPQ 609 (D.C. Cir. 1968). 35 U.S.C. 151 authorizes the acceptance of a delayed payment of the issue fee, if the issue fee "is submitted ... and the delay in payment is shown to have been unavoidable." 35 U.S.C. 41(a)(7) likewise authorizes the acceptance of an "unintentionally delayed payment of the fee for issuing each patent." Thus, 35 U.S.C. 41(a)(7) and 151 each require payment of the issue fee as a condition of reviving an application abandoned or patent lapsed for failure to pay the issue fee. Therefore, the filing of a continuing application without payment of the issue fee or any outstanding balance thereof is not an acceptable reply in an application abandoned or patent lapsed for failure to pay the issue fee or any portion thereof. The Notice of Allowance requires the timely payment of the issue fee in effect on the date of its mailing to avoid abandonment of the application. In instances in which there is an increase in the issue fee by the time of payment of the issue fee required in the Notice of Allowance, the Office will mail a notice requiring payment of the balance of the issue fee then in effect. See In re Mills, 12 USPQ2d 1847, 1848 (Comm'r Pat. 1989). The phrase "for failure to pay the issue fee or any portion thereof" applies to those instances in which the applicant fails to pay either the issue fee required in the Notice of Allowance or the balance of the issue fee required in a subsequent notice. In such instances, the reply must be the issue fee then in effect, if no portion of the issue fee was previously submitted, or any outstanding balance of the issue fee then in effect, if a portion of the issue fee was previously submitted. In an application abandoned for failure to pay the publication fee, the required reply must include payment of the publication fee. Even if an application abandoned for failure to pay the publication fee is being revived solely for purposes of continuity with a continuing application, the petition to revive under 37 CFR 1.137 must include payment of the publication fee.
